

September 13, 2021 Meeting Minutes

- The kindergarten signs are out and we will attempt to get some back at back to school night. Otherwise we can go around and collect them at some point. We may need to order some new ones this summer. We are working on the initial order several years ago.
- Graduation signs are done and money will be deposited. We made a profit on them and may change up next year to have a couple pickup dates so we can make sure and keep track of those paid and unpaid better.
- The color family fun walk/run is postponed. It is the pop warner night for football and we didn't want to conflict with that. Perhaps we can plan in the spring and coincide with another sport event.
- September 27th is the donating of the 2021 grants to the school district. This will take place during the board of education meeting. We have asked the winners and anyone from the foundation to attend. The presentation will be posted on our website:

 - The following teachers received grants: Kaminer, Sherrier, Trombly, Scheibersdorf, Roberson, Byrne
- February 5, 2022 or Feb 12, 2022 will be a night at the races fundraising event. We are going to try this as opposed to Casino night to switch it up and it is less expensive to host this event. More information will come about final dates.
- We will try and see if keeping meetings zoom and in person will be beneficial to gettings more members.
- Our upcoming meetings will be: November 8, 2021, January 10, 2022, March 14, 2022, May 9, 2022.
