Dear Valued Business Owner,

The Florence Township Education Foundation is very excited to announce one of our signature events for 2019-2020. Mardi Gras Casino Night on February 8, 2020. This event promises to be fun-filled and put a smile on everyone's face! Last year's event was a complete sell-out, so you can expect your sponsorship to reach a large, enthusiastic audience.

The goal of the Florence Township Education Foundation is to provide funding for programs which will further support & advance the educational opportunities for Florence Township School District students. The Foundation supports the overall mission and goals set forth by the Florence Township Board of Education, while remaining an independent 501(c)3 organization. Developing relationships with businesses and individuals that are interested in supporting the Foundation through sponsorships and/or volunteer efforts will be vital as we work towards reaching our goals. We need your help to achieve our goals.

We are reaching out today in hopes that you will consider giving a tax deductible monetary sponsorship or in-kind donation for this exciting event. Please review the attached Sponsor Opportunities to see the sponsorship levels and the advertising opportunities afforded. We are excited to have your involvement in this year's event and ask that you send in your sponsorship commitment information as soon as possible so that we can adequately prepare and give you the maximum promotional opportunities.

If you would like more information regarding these events or have any other questions regarding a corporate sponsorship opportunity please feel free to contact Barb Fazekas (Mayer), Casino Night Chairperson at bfazekas@florence.k12.nj.us or call 609-499-4640

Thank you for your support!

Florence Township Education Foundation
